EQUIPMENT FOR YOUR DEFENDER

TJM 4X4 EQUIPPED

ABOUT US

Back in the 70's when 4WD's were few and far between, three adventure seeking mates got their 'off road thrill' with customised FJ40s, F100s & Rovers. Each fitted with custom made bull bars, roll bars and sand tyres – they drew the attention of friends and bystanders. Before long, Lloyd Taylor, Cliff Jones and Steve Mollenhauer were making hand-made custom bars for a growing number of fans. As the demand continued to grow, they decided it was time to get serious.

In 1973, with little more than their combined initials, shared passion and appreciation for quality products - TJM was founded and the rest is history. They were pioneers and TJM became the first company in Australia to manufacture and distribute quality 4WD equipment.

Our product range has extensively grown to include; steel and alloy bull bars, nudge bars, side and rear protection bars, side steps, trade racks, roof racks, TJM recovery equipment, TJM winches, TJM XGS suspension, Airtec snorkels, TJM Pro Lockers and TJM roof top tents & awnings.

While TJM has grown to be a sophisticated operation, we have never forgotten the key elements that resulted in the formation of the brand.

Trust; from the quality of manufacturing.

Pride; in our innovative designs.

Adventure; heading out from suburbia and experiencing the wonders of our unique and breathtaking country, Australia.

TJM sidebars & steps

- › Large 50mm^ø tubing
- › Engineered heavy duty mounting system
- › Provides unrivalled wheel arch, flare, sill & panel protection
- › Durable, light weight checker plate steps provide easy access to and from the cab, as well as added side protection

TJM T13 Outback multi-winch bull bar

TJM engineers spend countless hours perfecting the design of the TJM T13 Outback bull bar to ensure our customers are equipped with one of the finest products in the market. Packed full of features and benefits, if you're after a bar with optimum performance - you can't go past the TJM T13 Outback multi-winch bar.

PN. 070SB13Z38U

TJM T17 winch bar

The TJM T17 steel winch bull bar features a durable steel channel which enables strong frontal protection for your vehicle. The minimalistic style adds a smart finish as well as ensuring peace of mind for the safety of the vehicle and its occupants in the event of an animal strike.

TJM Airtec snorkel

Snorkels are commonly the first accessory ever fitted to a four wheel drive. They allow for deep water crossings and hassle free air induction when immersed in dust. Air is cooler and cleaner at roof level than air travelling via the bonnet, which means greater fuel efficiency and less clogging of air filters.

TJM aluminium roof rack

Make long journeys more enjoyable by placing bulky objects up on the roof and out of the way. TJM roof racks are super-tough, engineered for functionality, and provide the ultimate storage solution for your vehicle. They are also a less expensive and 4WD-limiting option than if you were towing a trailer.

PN. 590A038038U (110 SERIES)

TJM XGS suspension

If wheels were your car's feet, then suspension would be the legs. Just as the strength, length and flexibility of your legs impact on the way in which you move and the way you connect to the ground, different types of suspension determine the functionality, safety and comfort of your vehicle on different terrain. Made up of several parts that work together like joints and bones, suspension affects absolutely every aspect of driving.

PLUS MANY MORE APPLICATIONS ALSO AVAILABLE

TJM Pro Locker

Experiencing life outdoors is best achieved behind the wheel of a 4WD. But, why is it when you finally take your 4WD out of suburbia onto what's meant to be its home-turf that even the smallest obstacle becomes too challenging for your brand new, shiny 4WD? Well, it's all about traction. Traction describes the relationship or grip that your tyres have with the ground, and loss of traction is the 4WD's number one enemy. Without traction, your prized 4WD will be about as useful as an exercise bike at a suburban gym.

TJM Torq winches

TJM's range of new generation Torq winches now have even more power for increased line speed and fast recovery. Stringently tested and utilising the highest standards in engineering design and manufacturing, you can count on a TJM winch when you're in trouble. For those who enjoy a challenge, owning a TJM winch provides you with the freedom to visit more places. When you're off the beaten track, stuck and lacking traction, it's not always as simple as relying on a mate with traction to bail you out. Using a TJM winch is a much better way to successfully retrieve your vehicle.

TJM dual battery systems

Flat batteries are annoying enough when you're within reach of help, but when travelling to remote locations through Australia, the last thing you need is a flat battery. TJM's range of international award-winning battery management systems will help you avoid the inconvenience and possible dangers of running your battery down.

TJM recovery equipment

Every situation is unique, and the right equipment and a well thought out plan are the key ingredients to successful vehicle recoveries. Designed by engineers and manufactured to the highest standards, TJM recovery equipment gets you out of trouble. Should you become bogged, stuck or immobile, TJM recovery gear becomes your backup plan to ensure you can continue your journey.

TJM roof top tents & awnings

The TJM roof top tents and awnings are ready within minutes, so you can relax and enjoy the outdoors.

TJM air compressor

TJM has a range of vehicle mounted and portable compressors to suit your needs, whether that be for inflating tyres or operating TJM Pro Lockers.

TJM IS WHERE YOUR JOURNEY BEGINS WITH OVER 75 STORES AUSTRALIA WIDE, STOCKING THE LARGEST RANGE OF THE BEST BRANDS
